### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

In 2015, the legislature required the Forensic Science Commission (FSC) to establish a process for licensing forensic analysts. By January 1, 2019, a person practicing in a forensic discipline subject to accreditation by Texas law may not act as a forensic analyst unless they hold a license.

FSC is responsible for successfully licensing forensic analysts, supporting the licensing advisory board, and ensuring the efficient implementation of the program.

S.B. 298 creates a General Revenue-Dedicated Account so that the licensing fee revenue is dedicated to FSC for the implementation of licensing as required by the statute.

As proposed, S.B. 298 amends current law relating to the creation and funding of the Texas Forensic Science Commission operating account.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

### **SECTION BY SECTION ANALYSIS**
