### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Continuing development and growth in Waller County has created the need for permanent improvements such as water supply and distribution facilities, wastewater collection and treatment facilities, drainage and flood control projects, and road facilities. Article XVI, Section 59, and Article III, Section 52, of the Texas Constitution provide for the creation of local governmental districts that are authorized to incur indebtedness to provide such permanent improvements and to levy taxes for the maintenance and operation of such improvements and for the repayment of such indebtedness.

Pursuant to Article XVI, Section 59, and Article III, Section 52, of the Texas Constitution, and subject to the continuing supervisory jurisdiction of the Texas Commission on Environmental Quality, H.B. 3211 creates a municipal utility district, with road powers and division powers, to be known as Waller County Municipal Utility District No. 34 over an approximately 3,791-acre tract of land located within an unincorporated area of Waller County, Texas.

H.B. 3211 amends current law relating to the creation of the Waller County Municipal Utility District No. 34; grants a limited power of eminent domain; provides authority to issue bonds; and provides authority to impose assessments, fees, and taxes.
