AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Interested parties note that Texas law does not expressly provide for the disposition of counterfeit property seized in connection with a criminal case. S.B. 1164 would address this gap by providing that an item bearing or identified by a counterfeit mark seized in connection with a criminal offense, upon the entry of a conviction or deferred adjudication in the related offense, be returned to the owner of the mark at the owner's request or destroyed. (Original Author's/Sponsor's Statement of Intent)

S.B. 1164 amends current law relating to the disposition of an item bearing a counterfeit trademark seized in connection with a criminal offense.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

(1) forfeited to the owner of the protected mark, if prior to an order disposing of property under this article the owner of the protected mark requests the return of the item; or

(2) destroyed.
