AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

S.B. 13 proposes several ethics reforms designed to ensure that elected officials represent their constituencies, not special interests or their own financial interest. One way S.B. 13 accomplishes this is by amending Section 141.001 of the Election Code such that, in order to be eligible to be a candidate for, or elected or appointed to, a public office in this state, a person must not be required to register as a lobbyist under Chapter 305 of the Government Code.

S.B. 13 includes exceptions to the above restriction if the elected office is an office of a political subdivision with a population of 150,000 or less, so long as the office is not the presiding officer of the governing body of the political subdivision and the officeholder does not receive a salary or wage for that office. However, an individual registered as a lobbyist under Chapter 305 of the Government Code may be a candidate for, or elected or appointed as the presiding officer of the governing body for of a political subdivision with a population of 50,000 or less if the officeholder does not receive a salary or wage for that office.

S.B. 13 also amends Section 572.032 of the Government Code to ensure that all financial disclosure statements are available to the public on the Texas Ethics Commission's Internet website not later than the second business day after the date the statement is filed. However, the commission is not required to continue to make a financial statement available on its Internet website after the second anniversary of the date the statement is filed.

Lastly, S.B. 13 ensures legislators are not using their elected position for their own financial gain by prohibiting former members of the legislature from registering as a lobbyist before the end of the legislative cycle following the legislative cycle in which the former member last served as a member of the legislature. This bill creates a criminal offense for the violation of this section. (Original Author's/Sponsor's Statement of Intent)

C.S.S.B. 13 amends current law relating to the ethics of public officials, including restrictions relating to lobbying and the personal financial statements of public officials; and creates a criminal offense.
