AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The F-35 fighter jet is an iconic military aircraft that is often heard in the air space around Fort Worth. Being that Texas is known for its recognition and appreciation of the military and veterans, it is appropriate for the state to offer a specialty license plate recognizing the achievements of the F-35 project, developed right here in Texas.

S.B. 240 directs the Texas Department of Motor Vehicles to create and offer a license plate including an image of the F-35 fighter jet and the motto "The Sound of Freedom," which is a phrase often used in the military and North Texas communities. (Original Author's/Sponsor's Statement of Intent)

S.B. 240 amends current law relating to the issuance of F-35 fighter jet specialty license plates.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
