AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

In 2017, the 85th Texas Legislature passed legislation to create the Southwestern Travis County Groundwater Conservation District. The legislation that created the district required a confirmation election to confirm the creation of the district. However, this legislation established the uniform election date of May 2018 as the date to hold the confirmation election.

Because this date was cost prohibitive to hold the election, the confirmation election has yet to be held.

S.B. 669 would establish the uniform election date in November 2019 as the date to hold the confirmation election to reduce costs. (Original Author's/Sponsor's Statement of Intent)

S.B. 669 amends current law relating to the date for the confirmation election for the Southwestern Travis County Groundwater Conservation District.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
