Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The Major Events Reimbursement Program (MERP) is one of three funds comprising the Event Trust Funds program in the Economic Development and Tourism Office within the Office of the Governor. The funds are targeted at attracting various types of events to Texas, and can assist Texas communities with paying costs related to preparing for or conducting an event by depositing projected gains in various local and state taxes generated from the event in a dedicated event-specific trust fund to cover allowable expenses.

C.S.H.B. 3023 seeks to add the following events to MERP: The National Hot Rod Association (NHRA) Fall Nationals at the Texas Motorplex, the Professional Bull Riders World Finals, the Women's PGA Championship, PGA Championship, Senior PGA Championship, and the Ryder Cup. In addition, the name of the F1 race at Circuit of the Americas that is in current statute is clarified as the Formula One United States Grand Prix.

C.S.H.B. 3023 amends current law relating to the eligibility of certain events for funding under the Major Events Reimbursement Program.
