Related Categories: Week in review

In this weekly post, we feature online articles and policy reports published recently, and other helpful research tools.

- Examine whether [early-childhood education](#) improves outcomes for children of low-income families. (Early Years blog, *Education Week*, December 12, 2016)
- Consider [school choice](#) from an economic perspective. (The Perryman Group, November 28, 2016)
- Review state laws related to [presidential electors](#). (National Association of Secretaries of State, November 2016)
- Keep your [pets](#) safe this season. (U.S. Food and Drug Administration, December 17, 2015, reposted December 12, 2016)

Season's greetings to our readers! Week in Review will return on January 5.
