In this weekly post, we feature online articles and policy reports published recently, and other helpful research tools.

- Read about postsecondary degree attainment rates and whether the U.S. is keeping pace with other countries. (Lumina Foundation, April 22, 2014)
- See how U.S. dollars are spent on global health funding. (*JAMA*, April 23/30, 2014)
- Review a survey of the economic and demographic trends in the Houston metropolitan region. (Rice University Kinder Institute for Urban Research, ©2013)
- Consider the nation's high school graduation rate. (America's Promise Alliance, April 2014)
- Examine a study of accessibility of information for consumers on the federal and states' health insurance exchange websites. (Avalere Health, April 25, 2014)
