Related Categories: Week in review

In this weekly post, we feature online articles and policy reports published recently, and other helpful research tools.

- Examine how **body-worn cameras** affect policing. (U.S. Department of Justice, 2014)
- Explore the economic effects of **shale oil and gas** production. (Congressional Budget Office, December 2014)
- Read about the country's **crude oil** reserves. (U.S. Energy Information Administration, December 4, 2014)
- Consider the implications of **for-profit prison** corporations. (American Friends Service Committee, November 17, 2014)
