The Texas Legislative Council has published two reports of legislative interest:

Summary of Enactments for the 84th Legislature

This publication provides a summary of each bill that passed during the 2015 session, and categorizes each measure by subject. For Summary of Enactments reports for previous sessions, please see the library's [session summaries page](#).

New, Renamed, and Abolished State Governmental Entities: 84th Legislature

This publication provides information about statutory state agencies, interagency panels, advisory committees, and other state government entities that were created, restructured, or eliminated by the Legislature. The report provides the following information for each entity:

- Name
- Legislation
- Effective/Abolished
- Function
- Composition
- Expiration Date

The report also provides, in the appendix, a list of the entities affected by [Tex. S.B. 219, 84th Leg., R.S.](#), relating to the provision of health and human services in the state.
