## Week in Review, July 9th Posted At : July 9, 2015 3:15 PM | Posted By : TexasLRL Related Categories: Week in review

In this weekly post, we feature online articles and policy reports published recently, and other helpful research tools.

- Read about the effects of marijuana legalization in Washington. (Drug Policy Alliance, July 2015)
- See how much states are getting in federal funds for Medicaid. (National Association of State Budget Officers, June 25, 2015)
- Consider the heroin epidemic in the United States. (Centers for Disease Control and Prevention, July 7, 2015)
- Search the police shootings database. (*The Washington Post*, accessed July 8, 2015)
