In this weekly post, we feature online articles and policy reports published recently, and other helpful research tools.

- Examine [public education state rankings](#) and statistics. (National Education Association, March 12, 2014)
- Explore the [2012 Economic Census Advance Report](#), notable for highlighting significant increases in oil and gas mining and extraction. (U.S. Census Bureau, March 26, 2014)
- Read about state Medicaid coverage of [tobacco cessation](#) treatments. (Centers for Disease Control and Prevention, March 28, 2014)
- Consider how public support for the [death penalty](#) is on the decline, although a majority of people still support it. (Pew Research Center, March 28, 2014)
