Related Categories: Week in review

In this weekly post, we feature online articles and policy reports published recently, and other helpful research tools.

- Map [cost of living in Texas](#) cities and towns, down to the neighborhood level. (*Texas Monthly*, December 11, 2014)
- Track [energy production](#) through the years. (U.S. Department of Energy, December 10, 2014)
- Review state and local government [finances](#). (U.S. Census Bureau, December 16, 2014)
- Read about changes state by state in [unauthorized immigrant populations](#). (Pew Research, November 18, 2014)

Season's Greetings to all our readers! Week in Review will return on January 8, 2015.
