IN THE GLOBAL WAR ON TERROR
(The House of Representatives and Senate in Joint Session)**

HCR 257

WHEREAS, On this day, the Texas Legislature pauses to honor those whose patriotism has called them to duty in our nation's armed forces, and we also join together in solemn remembrance of those Texans who have been killed while serving in the Global War on Terrorism; and

WHEREAS, Texas servicemen and servicewomen have long distinguished themselves as individuals of remarkable courage, dedication, and determination, and today we are proud to honor all the men and women from our state who have ever left behind their loved ones and the comfort and security of their homes to heed our country's call to arms; and

WHEREAS, During these difficult times, as U.S. forces continue to prosecute the Global War on Terrorism, we are reminded anew of the tenacious resolve of our military personnel and the immeasurable debt that we owe to those who have given their lives in this country's behalf; to date, the United States

Department of Defense has confirmed the deaths of more than 3,300 American men and women who have served in this war, including at least 300 individuals with immediate ties to Texas; and

WHEREAS, Our state and nation are fortunate to have sons and daughters whose love of country leads them to military service, yet the deaths of these heroic Texans is a sobering reminder that armed conflict is not without great and terrible cost; their deaths represent a tremendous loss to their families and friends, the members of their units, and the State of Texas, and their sacrifice in the service of our nation will not soon be forgotten; now, therefore, be it

RESOLVED, That the 80th Legislature of the State of Texas hereby pay special tribute to the memory of those Texans who have died while serving in the Global War on Terrorism and honor with gratitude their selfless and steadfast valor; and, be it further

RESOLVED, That the Texas Legislature express its heartfelt appreciation to all the brave men and women who have ever served in the United States armed forces.

The service medley was played.

Lieutenant Governor Dewhurst addressed the joint session and assemblage, as follows:

It's an honor to join you this morning to pay tribute to all of our brave Texas soldiers who've made the ultimate sacrifice to preserve our freedom. I want all of you, the families who've waited with patience and fear for your loved ones' safe return, and now endure the pain of your loss, to know that the thoughts, prayers, and gratitude of all Texans are with you.

I stand with you today, not just as lieutenant governor, but as the son of a WWII Army Air Corps B-26 bomber pilot, the grandson of two WWI army captains, and a veteran myself. That's why I'm unwavering in my support for our soldiers and their families.

Since 9-11 the strength and courage of America's character has been repeatedly tested on our own shores, in Afghanistan, in Iraq, and in other countries. In the face of conflict we've stood strong, and stand strong we must.

This war we face has not been easy, but then again, nothing worth defending ever is. We are a nation that believes in the God-given right to freedom for every man, woman, and child on the face of earth. And for these beliefs we pay an enormous price.

Today and every day we have a duty to honor and remember those who've made the ultimate sacrifice for our freedom. The Book of John speaks of this sacrifice. In Chapter 15, Verse 13, we read, "Greater love has no man than to lay down his life for a friend." And from the bottom of my heart, I thank all of you. And I can assure you that in Texas we will never forget the sacrifices made by your loved ones and your families. To all the men and women who've proudly worn the American uniform we will never forget your call to duty, your unyielding courage, and your allegiance to this "one nation under God." May

God bless you and may God keep safe our soldiers who are protecting our freedom around the world. May he continue to bless the land of the free and the home of the brave.

And now, I'd like to introduce someone else who truly understands your sacrifice, a veteran who's served our nation in the United States Air Force, my good friend, Governor Rick Perry.

Governor Perry addressed the joint session and assemblage, as follows:

We come to this chamber on many a morning to engage in the democratic process. We come here today to pay tribute to those who gave their lives in protecting it. Today our hearts are heavy not only for the lives lost, but the dreams extinguished, and no one feels more sorrow than the loved ones who have suffered such profound loss. When you waved them off for their last tour of duty, you knew such a day like this might be possible. And I know, as proud as you are today of the one whose life you mourn, you would trade every recognition ceremony in order to have them back to share one more smile and one more "I love you."

That has all been taken away, as has a future that once was bright with possibility. As with previous American wars, so often the ones who die on foreign soil were in the dawn of their lives when they departed this earth. Some too young to have children, some before they ever had a chance to see their children graduate from school or get married to the love of their life. Instead, they surrendered their every dream so children thousands of miles away might one day be free. The war on terror, or more specifically, the terrorists' war on us, reminds us that freedom is not free. In the 20th Century, this lesson was learned by generation after generation that fought in the trenches of Europe, that rolled back the Nazi forces of oppression and the Japanese threat in the Pacific, who fought the communists in Korea and Vietnam, and who drove a dictator out of a small Muslim country in the Persian Gulf. Today, the threat comes from a new kind of enemy, but the cost of defending freedom remains great. These Texans we remember today are the heroes of freedom who responded to the call of their country to make the world safer for democracy. We can in no way measure the depth of their devotion in giving up their every tomorrow for our today. Their sacrifice is beyond any words glorious enough to describe it. And while we would all wish that such ceremonies like this would never be needed, as long as they are, we have a solemn duty as a people to never forget what was offered on the altar of sacrifice so that we might be free. We must never forget who they were, or the heroism of their deeds. Nor must we forget the loved ones they leave behind who will live the rest of their lives with a void that can never be filled.

To each of you here today who mourn for such great loss, we offer not only our gratitude, but our prayers, that the God of comfort might console you. Though their lives were taken, the virtue of their lives and the heroism of their deeds can never be erased. They died as they lived—as heroes. And America will always be indebted to them. Thank you, and God bless you all.

Governor Perry presented flags flown over the Capitol to family members as Representatives Corte and Chavez and Senators Van de Putte and Estes read the names of the following fallen soldiers:

The ~~the~~ board shall allocate \div

To compute the amount of a health benefit plan issuer's assessment:

CSHB 492, A bill to be entitled An Act relating to the removal, transfer, or exclusion of territory in emergency services districts.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Chapter 775, Health and Safety Code, is amended by adding Subchapter H to read as follows:

SUBCHAPTER H. CHANGE IN BOUNDARIES OF DISTRICT WITH PLANNED COMMUNITY

Sec. 775.201. DEFINITION. In this subchapter, "planned community" means a planned community of 25,000 or more acres of land originally established under the Urban Growth and New Community Development Act of 1970 (42 U.S.C. Section 4501 et seq.) that is:

(1) located wholly or partly in a county with a population of 2.8 million or more; and

(2) subject to restrictive covenants containing ad valorem or annual variable budget-based assessments on real property for use in part to finance services of the same general type provided by the district.

Sec. 775.202. AGREEMENT ON BOUNDARIES WITH PROPERTY OWNERS IN PLANNED COMMUNITY. (a) After a hearing, a district located wholly in a county with a population of 2.8 million or more may exclude territory by making changes in the district's boundaries in accordance with an agreement among the district and the owners of two-thirds or more in acreage and two-thirds or more in taxable value, according to the most recent certified county property tax rolls, of a defined area of territory of a planned community.

(b) The agreement must be in writing and describe:

(1) the affected territory by metes and bounds, including the changes in the boundaries to be made;

(2) the amount of any compensation to be paid to the district under Section 775.205;

(3) the effective date for the changes in boundaries; and

(4) any other applicable terms.

Sec. 775.203. NOTICE OF HEARING. (a) The board secretary shall give notice of the hearing.

(b) The notice must contain the time and place for the hearing and a description of the territory proposed to be excluded.

(c) The secretary shall:

(1) post copies of the notice for at least 15 days before the date of the hearing in three public places in the district, one of which must be in the territory proposed to be excluded; and

(2) not later than the 16th day before the date on which the hearing is held, publish the notice once in a newspaper of general circulation in each county in which the excluded territory is located.

Sec. 775.204. ADOPTION OF AGREEMENT AND APPROVAL OF EXCLUSION. After the hearing, if the board finds that the exclusion of the territory would be feasible and would benefit the district, the board shall by a resolution entered in its minutes:

- (1) adopt the agreement; and
- (2) approve the exclusion.

Sec. 775.205. EFFECT OF ADOPTION OF AGREEMENT AND APPROVAL OF EXCLUSION. (a) After adoption and approval under Section 775.204, the district's tax on the property in the excluded territory continues until all agreed compensation has been paid in full.

(b) The district shall apply the compensation received under this section toward the payment of the obligations described by Subsection (c).

(c) The agreement must provide for the excluded territory to compensate the district in an amount equal to the excluded territory's pro rata share of the outstanding and unpaid bonds, warrants, or other direct and indirect obligations, including loans and lease-purchase agreements and written funding assistance agreements of the district and any not-for-profit fire departments and ambulance agencies or associations, for the financing and payment for firefighting, emergency medical service and emergency rescue equipment, fire and ambulance stations, or similar long-term capital assets to serve the district.

(d) The excluded territory's pro rata share is the unpaid principal balances of the outstanding loans and other obligations enumerated by Subsection (c) multiplied by a fraction, the numerator of which is the taxable value of the property in the excluded territory and the denominator of which is the taxable value of the entire district, including the excluded territory. The taxable value calculated under this subsection for property in the excluded territory, including as part of the entire district, does not include any special appraisal or exemptions for the property.

(e) The agreement to compensate the district does not include the following expenses incurred by the district after the boundaries change:

- (1) expenses for district operations and maintenance; and
- (2) expenses for district services.

(f) The agreement to compensate the district is required regardless of whether the loans and other obligations are subject to non-appropriation by the district or termination by either party before payment in full of the unpaid principal balance.

Sec. 775.206. NO EFFECT ON OUTSTANDING OBLIGATIONS. A change in boundaries under this subchapter does not diminish or impair the rights of the holders of any outstanding and unpaid bonds, warrants, or other district obligations.

SECTION 2 Section 776.052(a), Health and Safety Code, is amended to read as follows:

(a) If territory in a municipality's limits [~~or extraterritorial jurisdiction~~] is included in a district, the municipality's governing body may remove that territory from the district if:

(1) the municipality agrees to provide emergency protection to the territory as prescribed by Section 776.014; or

(2) the territory is designated an industrial district under Section 42.044, Local Government Code.

SECTION 3. The change in law made by this Act applies only to a removal of territory that occurs, or a change in boundaries agreed to, on or after the effective date of this Act. A removal of territory that occurs, or a change in boundaries agreed to, before the effective date of this Act is governed by the law in effect on the date the territory is removed, and that law is continued in effect for that purpose.

SECTION 4. This Act takes effect September 1, 2007.

HB 1086 - HOUSE CONCURS IN SENATE AMENDMENTS TEXT OF SENATE AMENDMENTS

Representative Hughes called up with senate amendments for consideration at this time,

HB 1086, A bill to be entitled An Act relating to the discharge of an alternate juror in a criminal case.

HB 1086 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE MACIAS: I'd like to ask you a question for the purposes of legislative intent. Is it your intent that an alternate juror who does not replace a regular juror refrain from participating in any juror deliberations in the case?

REPRESENTATIVE HUGHES: Yes, sir. As you know, only the 12 jurors who are seated as regular jurors may participate in any jury deliberations. My intent is for alternate jurors who do not replace a regular juror to not participate in any deliberations—whether that be guilt or innocence or punishment—and that the court would direct the alternate jurors to be separated from the regular jurors and to refrain from deliberating or discussing the case unless they are seated as a regular juror.

Sec. 1201.162. DISCLOSURE BY RETAILER AND LENDER.

(a) Before the completion of a credit application or more than one day before entering into any agreement for a sale, exchange, or the exercise of the lease purchase option that will not be financed, the retailer [or agent] must provide to the consumer a written disclosure in the form promulgated by the board. The disclosure shall be in at least 12-point type and must address matters of concern relating to costs and obligations that may be associated with home ownership, matters to be considered in making financing decisions, related costs that may arise when purchasing a manufactured home, and such other matters as the board may deem appropriate to promote informed purchase, financing, and related decisions regarding the acquisition and ownership of a manufactured home. The form shall also conspicuously disclose the consumer's right of rescission.

(b) [the following statement that is printed in at least 12-point type and not attached to or combined with any other written material:

["When buying a manufactured home, there are a number of important considerations, including price, quality of construction, features, floor plan, and financing alternatives.

["The United States Department of Housing and Urban Development (HUD) helps protect consumers through regulation and enforcement of HUD design and construction standards for manufactured homes. Manufactured homes that meet HUD standards are known as 'HUD code manufactured homes.' The Texas Department of Housing and Community Affairs regulates Texas manufacturers, retailers, brokers, salespersons, installers, and rebuilders of manufactured homes.

["If you plan to place a manufactured home on land that you own or will buy, you should consider items such as:

["ZONING AND RESTRICTIVE COVENANTS. Municipalities or subdivisions may restrict placement of manufactured homes on certain lots, may prohibit the placement of homes within a certain distance from property lines, may require that homes be a certain size, and may impose certain construction requirements. You may need to obtain building permits and homeowner

~~association approval before you place a manufactured home on a certain lot. Contact the local municipality, county, and subdivision manager to find out if you can place the manufactured home of your choice on a certain lot.~~

~~["WATER. Be sure that your lot has access to water. If you must drill a well, contact several drillers for bids. If water is available through a municipality, utility district, water district, or cooperative, you should inquire about the rates you will have to pay and the costs necessary to join the water system.~~

~~["SEWER. If your lot is not serviced by a municipal sewer system or utility district, you will have to install an on site sewer facility (commonly known as a septic system). There are a number of concerns or restrictions that will determine if your lot is adequate to support an on site sewer facility. Check with the local county or a licensed private installer to determine the requirements that apply to your lot and the cost to install such a system.~~

~~["HOMEOWNER ASSOCIATION FEES. Many subdivisions have mandatory assessments and fees that lot owners must pay. Check with the manager of the subdivision in which your lot is located to determine if any fees apply to your lot.~~

~~["TAXES. Your home will be appraised and subject to ad valorem taxes as are other single family residential structures. These taxes must be escrowed with your monthly payment, except that your lender is not obligated to impose an escrow requirement in a real property transaction involving a manufactured home if the lender is a federally insured financial institution and does not otherwise require the escrow of taxes, insurance premiums, fees, or other charges in connection with loans secured by residential real property. On closing, you will be notified of all provisions pertaining to federal truth in lending disclosures.~~

~~["INSURANCE. Your lender may require you to obtain insurance that meets lender requirements and protects your investment. You should request quotes from the agent of your choice to obtain the insurance.~~

~~["TYPES OF MORTGAGES AVAILABLE. The acquisition of a manufactured home may be financed by a real estate mortgage or a chattel mortgage. A real estate mortgage may have a lower interest rate than a chattel mortgage.~~

~~["RIGHT OF RESCISSION. If you acquire a manufactured home, by purchase, exchange, or lease purchase, you may, not later than the third day after the date the applicable contract is signed, rescind the contract without penalty or charge."~~

~~(4) A federally insured financial institution or lender approved or authorized by the United States Department of Housing and Urban Development as a mortgagee with direct endorsement underwriting authority that fully complies with federal Truth in Lending disclosures concerning the terms of a manufactured housing transaction is exempt from the disclosure provisions of this section.~~

(c) The right of rescission described in Subsection (a) shall apply only to the sale transaction between the retailer and the consumer.

~~(e)~~ Failure by the retailer to comply with the disclosure provisions of this section does not affect the validity of a subsequent conveyance or transfer of title of a manufactured home or otherwise impair a title or lien position of a person other than the retailer. The consumer shall continue to have the right of rescission with regard to the retailer until the end of the third day after the retailer delivers a copy of the disclosure required by Subsection (a). The consumer's execution of a signed receipt of a copy of the disclosure required by Subsection (a) shall constitute conclusive proof of the delivery of the disclosure. If the consumer grants a person other than the retailer a lien on the manufactured home, the right of rescission shall immediately cease on the filing of the lien with the department.

SECTION 24. Section 1201.164, Occupations Code, is amended to read as follows:

Sec. 1201.164. ADVANCE COPY OF ~~INSTALLMENT~~ CONTRACT AND DISCLOSURE STATEMENTS; OFFER BY RETAILER. (a) In a transaction that is to be financed and that will not be subject to the federal Real Estate Settlement Procedures Act of 1974 (Pub. L. No. 93-533) and its implementing regulations ~~[chattel mortgage transaction involving an installment contract]~~, a retailer shall deliver to a consumer at least 24 hours before the contract is fully executed the contract, with all required information included, signed by the retailer. The delivery of the ~~installment~~ contract, with all required information included, signed by the retailer constitutes a firm offer by the retailer. Except as provided for in Subsection (b), the ~~The~~ consumer may accept the offer not earlier than 24 hours after the delivery of the contract. If the consumer has not accepted the offer within 72 hours after the delivery of the contract, the retailer may withdraw the offer.

(b) The consumer may modify or waive the right to rescind and the deadlines for disclosures before the execution of the contract that are provided by Subsection (a) if the consumer determines that the purchase of the manufactured home is needed to meet a bona fide personal emergency. If the consumer has a bona fide personal emergency that necessitates the immediate purchase of the manufactured home, the consumer shall give the retailer a dated written statement that describes the emergency, specifically modifies or waives the notice periods and any right of rescission, and bears the signature of all of the consumers entitled to the disclosures and right of rescission. In such event the retailer shall immediately give the consumer all of the disclosures required by this code and sell the manufactured home without the required waiting periods or the right of rescission. Printed forms for this purpose are prohibited except in a county that has been declared by the governor to be a major disaster area. If the governor declares a county to be a major disaster area, the retailer may use printed forms promulgated by the department. This exception shall expire one year after the county has been declared a major disaster area.

SECTION 25. Sections 1201.203, 1201.204, and 1201.205, Occupations Code, are amended to read as follows:

Sec. 1201.203. FORMS; RULES. (a) The board ~~director~~ shall ~~prescribe forms and~~ adopt rules and forms relating to:

- (1) the manufacturer's certificate;

- (2) the statement of ownership and location;
- (3) the application for a statement of ownership and location; and
- (4) the issuance of an initial or revised [a] statement of ownership ~~[and location at the first retail sale and for a subsequent sale or transfer of a manufactured home]~~.

(b) The board ~~[director]~~ shall adopt rules for the documenting of the ownership and location of a manufactured home that has been previously owned in this state or another state. The rules must protect a lienholder recorded with the department ~~[on a statement of ownership and location, a certificate, or other document of title]~~.

Sec. 1201.204. MANUFACTURER'S CERTIFICATE. (a) A manufacturer's certificate must show:

(1) on a form prescribed by the director ~~[or on another document]~~, the original transfer of a manufactured home from the manufacturer to the retailer; and

(2) on a form prescribed by the director, each subsequent transfer of a manufactured home between retailers and from retailer to owner, if the transfer from retailer to owner involves a completed application for the issuance of a statement of ownership and location.

(b) At the first retail sale of a manufactured home, a manufacturer's certificate automatically converts to a document that does not evidence any ownership interest in the manufactured home described in the document. A security interest in inventory evidenced by a properly recorded inventory finance lien ~~[the manufacturer's certificate]~~ automatically converts to a security interest in proceeds and cash proceeds.

(c) After the first retail sale of a manufactured home, the retailer must ~~[may]~~ submit the original manufacturer's certificate for that home to the department. If an application for an initial statement of ownership is made without the required manufacturer's certificate and the retailer does not provide it as required, the department shall, on or before the issuance of the requested statement of ownership and location, send written notice to each party currently reflected on the department's records as having a recorded lien on the inventory of that retailer. Failure to include the original manufacturer's certificate with such an application does not impair a consumer's ability to obtain, on submittal of an otherwise complete application, a statement of ownership and location free and clear of any liens other than liens created by or consented to by the consumer.

Sec. 1201.205. STATEMENT OF OWNERSHIP AND LOCATION FORM. A statement of ownership and location must be evidenced by a board-approved form issued by the department setting forth ~~[provide]~~:

(1) the name ~~[names]~~ and address ~~[addresses]~~ of the ~~[purchaser and]~~ seller and the name and, if it is different from the location of the home, the mailing address of the new owner;

(2) the manufacturer's name and address and any model designation, if available;

(3) in accordance with the board's ~~[director's]~~ rules:

(A) the outside dimensions of the manufactured home when installed for occupancy, as measured to the nearest one-half foot at the base of the home, exclusive of the tongue or other towing device; and

(B) the approximate square footage of the home when installed for occupancy;

(4) the identification number for each section or module of the home;

(5) the physical address where ~~[county of this state in which]~~ the home is installed for occupancy, including the name of the county, and, if it is different from the physical address, the mailing address of the owner of the home;

(a) [~~(b)~~] At the first retail sale of a manufactured home, the retailer shall provide for the installation of the home and ensure that the application for the issuance of a statement of ownership and location is properly completed. The consumer shall return the completed application to the retailer. In accordance with Section 1201.204, the retailer shall surrender to the department the original manufacturer's statement of origin at the same time that the retailer applies for the first statement of ownership and location.

(b) [~~(c)~~] Not later than the 60th [~~30th~~] day after the date of the retail sale, the retailer shall provide to the department the completed application for the issuance of a statement of ownership and location. If for any reason the retailer does not timely comply with the requirements of this subsection, the consumer may apply for the issuance of the statement.

(c) [~~(d)~~] Not later than the 60th [~~30th~~] day after the date of each subsequent sale or transfer of a home that is considered to be personal property, the seller or transferor shall provide to the department a completed application for the issuance of a new statement of ownership and location. If for any reason the seller or transferor does not timely comply with the requirements of this subsection, the consumer may apply for the issuance of the statement.

(d) If the seller accepts a trade-in manufactured home as part of the consideration for the sale of another manufactured home, the seller shall file a completed application for the issuance of a new statement of ownership and location reflecting the change of ownership of the trade-in manufactured home from the prospective buyer to the seller. The seller shall file the application for the issuance of a new statement of ownership and location for the traded in manufactured home at the same time that the seller files the application for the issuance of a new statement of ownership and location for the manufactured home that was sold by the seller. If the seller is a retailer, the seller shall indicate

on the application for the issuance of the new statement of ownership and location whether the trade-in manufactured home has been added to the inventory of the retailer.

(e) Ownership of a manufactured home does not pass or vest at a sale or transfer of the home until a completed application for the issuance of a statement of ownership and location is filed with the department.

(f) If the owner of a manufactured home relocates the home, the owner shall apply for the issuance of a new statement of ownership and location not later than the 60th [30th] day after the date the home is relocated. The department shall require that the owner submit evidence that the home was relocated in accordance with the requirements of the Texas Department of Transportation.

(g) When the seller files an application for the issuance of a statement of ownership and location for a used manufactured home that is not in a retailer's inventory, the seller shall also file with the department a statement from the tax assessor-collector that there are no personal property taxes due on the manufactured home that may have accrued on each January 1 that falls within the 18 months before the date of the sale.

(h) If a person selling a manufactured home to a consumer for residential use fails to file with the department the application for the issuance of a statement of ownership and location and the appropriate filing fee before the 61st day after the date of the sale, the department may assess a fee of at least \$100 against the seller. The department shall have the authority to enforce the collection of any fee from the seller through judicial means. The department shall place on the application for the issuance of a statement of ownership and location the following legend in a clear and conspicuous manner:

"THE FILING OF AN APPLICATION FOR THE ISSUANCE OF A STATEMENT OF OWNERSHIP AND LOCATION LATER THAN SIXTY (60) DAYS AFTER THE DATE OF A SALE TO A CONSUMER FOR RESIDENTIAL USE MAY RESULT IN A FEE OF UP TO ONE HUNDRED DOLLARS (\$100.00). ANY SUCH APPLICATION THAT IS SUBMITTED LATE MAY BE DELAYED UNTIL THE FEE IS PAID IN FULL."

(i) When a properly completed notice of installation on the department's promulgated form is filed that relates to a secondary move, the notice must be accompanied by either:

(1) one true and correct copy of the original notice of installation; or

(2) a certification that a true and correct copy of the notice of installation has been provided to the chief appraiser for the county in which the home was installed; the delivery of the copy of the notice to the chief appraiser may be accomplished by either certified mail or by electronic mailing of the electronically reproduced document in a commonly readable format.

(i-1) If the method specified in Subsection (i)(2) is used to report the installation, the department may adopt a discounted fee for the filing of the notice of installation.

(j) In addition to providing each chief appraiser the monthly report required by Section 1201.220, the department shall, on request, provide tax collector one copy of any requested reported notice of installation.

(k) Notwithstanding any provision in this chapter to the contrary, if a person has acquired a manufactured home and the owner of record or any intervening owners of liens or equitable interests cannot be located to assist in documenting the chain of title, the department may issue a statement of ownership and location to the person claiming ownership if the person can provide a supporting affidavit describing the chain of title and such reasonable supporting proof as the director may require.

Sec. 1201.207. ISSUANCE OF STATEMENT OF OWNERSHIP AND LOCATION. (a) Except as provided for in Subsection (a-1), the [The] department shall process any completed application for the issuance of a statement of ownership and location not later than the 15th working day after the date the application is received by the department. If the department rejects an application, the department shall provide a clear and complete explanation of the reason for the rejection and instructions on how to cure any defects, if possible.

(a-1) For the period immediately following June 30 of each year, the department shall, except for applications relating to new manufactured homes and applications accompanied by a tax certificate, cease issuing statements of ownership and location until all tax liens filed with the department before June 30 have been processed and either recorded or rejected. During this period the department will post on its website a notice as to when it is anticipated that processing statements of ownership and location will resume and when it is anticipated that such processing will be within the 15-working-day time frame provided by Subsection (a).

(b) If the department issues a statement of ownership and location for a manufactured home, the department shall maintain a record of the issuance in its electronic records [place in its files the original statement of ownership and location] and shall mail a [certified] copy to the owner and each [of the home and to any] lienholder.

(c) Except with respect to any change in use, but subject to Section 1201.2075, if the department has issued a statement of ownership and location for a manufactured home, the department may issue a subsequent statement of ownership and location for the home only if all parties reflected in the department's records as having an interest in the manufactured home give their written consent or release their interest, either in writing or by operation of law, or the department has followed the procedures provided by Section 1201.206(k) to document ownership and lien status. Once the department issues a statement of ownership and location, the department shall not alter the record of the ownership or lien status of a manufactured home for any activity occurring before the issuance of the statement of ownership and location without either the written permission of the owner of record for the manufactured home, their legal representative or a court order.

(d) Notwithstanding any other provision of this chapter, if the consumer purchases a new manufactured home from a licensed retailer in the ordinary course of business, whether or not a statement of ownership and location has been issued for the manufactured home, the consumer is a bona fide purchaser for value without notice and is entitled to ownership of the manufactured home free

and clear of all liens and to a statement of ownership and location reflecting the same on payment by the consumer of the purchase price to the retailer. If there is an existing lien on the new manufactured home perfected with the department, the owner of the lien is entitled to recover the value of the lien from the retailer.

(e) Notwithstanding any other provision of this chapter, if the consumer purchases a used manufactured home from a retailer in the ordinary course of business, the consumer takes the manufactured home free and clear of any liens created by the selling retailer even if they are recorded.

Sec. 1201.2075. CONVERSION FROM PERSONAL PROPERTY TO REAL PROPERTY. (a) Except as provided by Subsection (b) or Section 1201.206(k), the department may not issue a statement of ownership and location for a manufactured home that is being converted from personal property to real property until:

(2) each lienholder gives written consent, to be placed on file with the department.

(b) The department may issue a statement of ownership and location before the release of any liens or the consent of any lienholders as required by this section ~~only~~ if the department releases a certified copy of the statement to:

(1) a licensed title insurance company that has issued a commitment to issue a title insurance policy covering all prior liens on the home in connection with a loan that the title company has closed; or

Sec. 1201.2076. CONVERSION FROM REAL PROPERTY TO PERSONAL PROPERTY. (a) The department may not issue a statement of ownership and location for a manufactured home that is being converted from real property to personal property until the department has inspected the home and determined that it is habitable and has notified the appropriate tax assessor-collector of the conversion and:

(1) each lien, including a tax lien, on the home is released by the lienholder; or

(2) each lienholder, including a taxing unit, gives written consent, to be placed on file with the department.

(b) For the purposes of Subsection (a)(1), the department may rely on a commitment for title insurance, a title insurance policy, or a lawyer's title opinion to determine that any liens on real property have been released.

Sec. 1201.208. PAYMENT OF TAXES REQUIRED FOR ISSUANCE OF STATEMENT OF OWNERSHIP AND LOCATION. (a) Any licensee who sells, exchanges, or lease-purchases a new manufactured home to any consumer is responsible for the payment of all required sales and use tax on such home ~~[The department may not issue a statement of ownership and location for a new manufactured home installed for occupancy in this state unless the state sales and use tax has been paid].~~

(b) If it is determined that a new manufactured home was sold, exchanged, or lease-purchased without the required sales and use tax being paid, the payment shall be made from the fund, up to the available penal amount of the licensee's bond or the remaining balance of the security for the license, and a claim for reimbursement shall be filed with the licensee's surety or the amount deducted from the security for the license ~~[Proof of payment may be shown in any manner prescribed by the department].~~

SECTION 28. Section 1201.210, Occupations Code, is amended by amending Subsection (c) and adding Subsection (d) to read as follows:

(c) A notice of appeal and request for hearing must be filed with the director not later than the 30th day after the date of notice of the director's action. If appeal is not timely made, the revocation or suspension described in the notice of the director's action becomes final.

(d) Until a revocation or suspension has become final, the department shall place a hold on any activity relating to the statement of ownership and location other than the recordation of liens, including tax liens.

SECTION 29. Subsection (b), Section 1201.214, Occupations Code, is amended to read as follows:

(b) An owner or lienholder may provide to the department a ~~the~~ document of title and any additional information required by the department and request that the department issue a statement of ownership and location to replace the document of title. The department shall mail to the owner or lienholder a ~~certified~~ copy of the statement of ownership and location issued under this subsection.

SECTION 30. Subsection (a), Section 1201.216, Occupations Code, is amended to read as follows:

(a) If the owner of a manufactured home notifies the department that the owner intends to treat the home as real property or to reserve its use for a business purpose or salvage, the department shall indicate on the statement of ownership and location for the home that:

(1) the owner of the home has elected to treat the home as real property or to reserve its use for a business purpose or salvage; and

(2) except as provided by Section 1201.2055(h), the home is ~~department~~ no longer ~~considers the home to be~~ a manufactured home for purposes of regulation under this chapter or of recordation of liens, including tax liens.

SECTION 31. Section 1201.217, Occupations Code, is amended by amending Subsections (b) and (c) and adding Subsection (f) to read as follows:

(b) Before declaring a manufactured home abandoned, the owner of real property on which the home is located must send a notice of intent to declare the home abandoned to the record owner of the home, ~~and~~ all lienholders at the addresses listed on the home's statement of ownership and location on file with the department, and the tax collector for each taxing unit that imposes ad valorem taxes on the real property where the home is located. The notice must include the address where the home is currently located. If the person giving such notice knows that the person to whom the notice is being given no longer resides and is

no longer receiving mail at such address, a reasonable effort shall be made to locate the person and give the person notice at an address where the person is receiving mail. Mailing of the notice by certified mail, return receipt requested, postage prepaid, to the persons required to be notified by this subsection constitutes conclusive proof of compliance with this subsection.

(c) On receipt of a notice of intent to declare a manufactured home abandoned, the record owner of the home, ~~or~~ a lienholder, or a tax assessor-collector for a taxing unit that imposes ad valorem taxes on the real property on which the home is located may enter the real property on which the home is located to remove the home. The real property owner must disclose to the record owner, lienholder, or tax assessor-collector seeking to remove the home the location of the home and grant the person reasonable access to the home. A person removing a home is responsible to the real property owner for any damage to the real property resulting from the removal of the home.

(f) This section does not apply if the person who owns the real property on which the manufactured home is located and who is declaring that the home is abandoned, or any person who is related to or affiliated with that person, has now, or has ever owned, an interest in the manufactured home.

Sec. 1201.219. PERFECTION AND EFFECT OF LIENS. (a) A lien on manufactured homes in inventory is perfected only by filing the lien ~~[a security agreement]~~ with the department on the required form ~~[in a form that contains the information the director requires]~~. Once perfected, the lien applies to the manufactured homes in the inventory as well as to any proceeds from the sale of those homes. The department may suspend or revoke the license of a retailer who fails to satisfy a perfected inventory lien ~~[under the terms of the security agreement]~~.

(b) Except as provided by Subsection (a), a lien on a manufactured home is perfected only by filing with the department the notice of lien on a form provided by the department. The form shall require the disclosure of the original dollar amount of the lien and, if a tax lien, the name and address of the person in whose name the manufactured home is listed on the tax roll. The department shall disclose on its website the date of each lien filing, the original amount of the lien claimed by each filing, and the fact that the amount shown does not include additional sums including interest, penalties, and attorney's fees. The statement required by Section 1201.205(7) ~~[recording of a lien with the department]~~ is notice to all persons that the tax lien exists. Except as expressly provided by Chapter 32, Tax Code, a lien recorded with the department has priority, according to the chronological order of recordation, over another lien or claim against the manufactured home. Tax liens shall be filed by the tax collector for any taxing unit having the power to tax the manufactured home. A single filing by a tax collector is a filing for all the taxing units for which the tax collector is empowered to collect.

(c) Notwithstanding any other provision of this or any other law [~~subchapter~~], the filing of a lien security agreement [~~by a secured party perfecting a lien~~] on the inventory of a retailer does not prevent a buyer in the ordinary course of business, as defined by Section 1.201, Business & Commerce Code, from acquiring good and marketable title free of that lien [~~interest~~], and the department may not consider that [~~security interest as a~~] lien for the purpose of title issuance.

(a) The department shall provide to each county tax assessor-collector in this state a monthly report that, for each manufactured home reported as having been installed in the county during the preceding month and for each manufactured home previously installed in the county for which a transfer of ownership was recorded by the issuance of a statement of ownership and location during the preceding month, lists:

(e) The advisory committee established by Subsection (d) shall make a report to the board setting forth each comment and concern over any proposed rules. The members of the committee shall have no personal liability for providing this advice.

SECTION 35. Subsection (a), Section 1201.252, Occupations Code, is amended to read as follows:

(a) A local governmental unit of this state may not adopt a standard for the construction or installation of manufactured housing in the local governmental unit that is different from a standard adopted by the board ~~[director]~~ unless, after a hearing, the board expressly approves the proposed standard.

(a) Except as authorized under Section 1201.252, manufactured housing that is installed must be installed in compliance with the standards and rules adopted and orders issued by the department. An uninstalled manufactured home may not be occupied for any purpose.

(b) An installer may not install a manufactured home at a location on a site that has evidence of ponding, runoff under heavy rains, or bare uncompacted soil unless the installer first obtains the owner's signature on a form promulgated by the board disclosing that such conditions may contribute to problems with the stabilization system for that manufactured home, including possible damage to that home, and the owner accepts that risk [director].

SECTION 37. Subsection (b), Section 1201.301, Occupations Code, is amended to read as follows:

(b) In enforcing this chapter, the director may authorize a state inspector to travel inside or outside of the state to inspect a licensee ~~[manufacturing facility]~~.

Sec. 1201.302. INSPECTION BY LOCAL GOVERNMENTAL UNITS ~~[ENTITIES OTHER THAN DEPARTMENT]~~.

SECTION 39. Subsections (a) and (b), Section 1201.302, Occupations Code, are amended to read as follows:

(a) To ensure that a manufactured home sold or installed in this state complies with the standards code, the director may by contract provide for a federal agency or an agency or political subdivision of this state or another state to perform an inspection or inspection program under this chapter or under rules adopted by the board ~~[director]~~.

(b) On request, the department shall authorize a local governmental unit in this state to perform an inspection or enforcement activity related to the construction of a foundation system or the erection or installation of manufactured housing at a homesite under a contract or other official designation and rules adopted by the board ~~[director]~~. The department may withdraw the authorization if the local governmental unit fails to follow the rules, interpretations, and written instructions of the department.

(2) appliances and equipment included with the sale of the home and installed by the retailer are or will be:

(A) installed in accordance with the instructions or specifications of the manufacturers of the appliances or equipment; and

(B) free from defects in materials or workmanship.

The warranty may expressly disclaim or limit any warranty regarding cosmetic defects.

(b) The retailer's warranty on a new HUD-code manufactured home is in effect until the first anniversary of the later of the date of initial installation of the home at the consumer's homesite or the closing of the consumer's purchase or acquisition of the home.

(c) Before the signing of a binding retail installment sales contract or other binding purchase agreement on a new HUD-code manufactured home, the retailer must give the consumer a copy of:

- (1) the manufacturer's warranty;
- (2) the retailer's warranty;
- (3) the warranties given by the manufacturers of appliances or equipment included with the home; and
- (4) the name and address of the manufacturer or retailer to whom the consumer is to give notice of a warranty service request.

(d) Not later than the 30th day after the installation of a new HUD-code manufactured home, the retailer shall deliver to the consumer a copy of the warranty given by the licensed installer.

Sec. 1201.355. CONSUMER COMPLAINT HOME INSPECTION. (a) If the manufacturer, ~~[or]~~ retailer, or installer does not provide the consumer with proper warranty service, the consumer may, at any time, request the department to perform a consumer complaint home inspection. The department may not charge a fee for the inspection.

(b) On payment of the required inspection fee, the manufacturer, ~~[or]~~ retailer, or installer may request the department to perform a consumer complaint home inspection if the manufacturer, ~~[or]~~ retailer, or installer:

(c) The director shall issue to the manufacturer, ~~or~~ retailer, or installer an appropriate order for corrective action by the manufacturer, ~~or~~ retailer, or installer specifying a reasonable period for completion of the corrective action. With regard to new manufactured homes, both the installer and the retailer are responsible for the warranty of installation. If the department determines that a complaint is covered by the installation warranty, the director shall issue the order to the installer for the corrective action. If the installer fails to perform the corrective action, the installer shall be subject to the provisions of Section 1201.357. In that instance, the director shall issue the same order for corrective action to the retailer with a new time frame not to exceed 10 days unless additional time is needed for compliance upon a showing of good cause. If the retailer is compelled to perform corrective action because of the failure of the installer to comply with the director's order, the retailer may seek reimbursement from the installer. The period for the performance of any required warranty work may be shortened by the director as much as is feasible if the warranty work is believed necessary to address a possible imminent threat to health or safety.

(a) For a manufactured home to qualify for an exemption under Section 11.13 ~~of this code~~, the application for the exemption must be accompanied by a copy of the statement of ownership and location for the manufactured home issued by the manufactured housing division of the Texas Department of Housing and Community Affairs under Section 1201.207, Occupations Code, showing that the individual applying for the exemption is the owner of the manufactured home or be accompanied by a verified copy of the purchase contract showing that the applicant is the purchaser of the manufactured home, unless a photostatic

copy of the current title page for the home is displayed on the computer website of the Texas Department of Housing and Community Affairs. The appraisal district may rely upon the computer records of the Texas Department of Housing and Community Affairs to determine whether a manufactured home qualifies for an exemption.

(b) The land on which a manufactured home is located qualifies for an exemption under Section 11.13 only if:

(1) the manufactured home qualifies for an exemption as provided by Subsection (a); and

(2) the manufactured home is listed together with the land on which it is located under Section 25.08. The consumer is entitled to obtain the homestead exemptions provided by Section 11.13 regardless of whether the owner has elected to treat the home as real property or personal property and regardless of whether the home is listed on the tax rolls with the real property to which it is attached or separately.

SECTION 71. Section 31.072, Tax Code, is amended by adding Subsection (i) to read as follows:

SECTION 72. Section 32.03, Tax Code, is amended to read as follows:

Sec. 32.03. RESTRICTIONS ON PERSONAL PROPERTY TAX LIEN.

(a) Except as provided by Subsection (a-1), a tax lien may not be enforced against personal property transferred to a buyer in ordinary course of business as defined by Section 1.201(9) of the Business & Commerce Code for value who does not have actual notice of the existence of the lien.

(a-1) With regard to a manufactured home, a tax lien may be recorded at any time not later than six months after the end of the year for which the tax was owed. A tax lien on a manufactured home may be enforced if it has been recorded in accordance with the laws in effect at the time of the recordation of the lien. A properly recorded tax lien may not be enforced against a new manufactured home that is owned by a person who acquired the manufactured home from a retailer as a buyer in the ordinary course of business ~~A tax lien against a manufactured home may not be enforced unless it has been recorded with the Texas Department of Housing and Community Affairs as provided by Section 1201.219, Occupations Code:~~

~~[(1) before October 1, 2005; or~~

~~[(2) not later than six months after the end of the year for which the tax was owed].~~

(a-2) A person may not transfer ownership ~~[title]~~ of a manufactured home until all tax liens perfected on the home ~~that have been timely filed with the Texas Department of Housing and Community Affairs have been extinguished or satisfied and released~~ and any personal property taxes on the manufactured home

which accrued on each January 1 that falls within the 18 months preceding the date of the sale have been paid. This subsection does not apply to the sale of a manufactured home in inventory.

(b) A bona fide purchaser for value or the holder of a lien recorded on a ~~the~~ manufactured home statement of ownership and location is not required to pay any taxes that have not been recorded with the Texas Department of Housing and Community Affairs. In this section, manufactured home has the meaning assigned by Section 32.015(b). Unless a tax lien has been filed timely with the Texas Department of Housing and Community Affairs, no taxing unit, nor anyone acting on its behalf, may use a tax warrant or any other method to attempt to execute or foreclose on the manufactured home.

(c) A taxpayer may designate in writing which tax year will be credited with a particular payment. If a taxpayer pays all the amounts owing for a given year, the taxing unit shall issue a receipt for the payment of the taxes for the designated year.

(d) Notwithstanding any other provision of this section, if a manufactured home was omitted from the tax roll for either or both of the two preceding tax years, the taxing unit may file a tax lien within the 150-day period following the date on which the tax becomes delinquent.

(e) If personal property taxes on a manufactured home have not been levied by the taxing unit, the taxing unit shall provide, upon request, an estimated amount of taxes computed by multiplying the taxable value of the manufactured home, according to the most recent certified appraisal roll for the taxing unit, by the taxing unit's adopted tax rate for the preceding tax year. In order to enable the transfer of the manufactured home, the tax collector shall accept the payment of the estimated personal property taxes and issue a certification to the Texas Department of Housing and Community Affairs that the estimated taxes are being held in escrow until the taxes are levied. Once the taxes are levied, the tax collector shall apply the escrowed sums to the levied taxes. At the time the tax collector accepts the payment of the taxes, the tax collector shall provide notice that the payment of the estimated taxes is an estimate that may be raised once the appraisal rolls for the year are certified and that the new owner may be liable for the payment of any difference between the tax established by the certified appraisal roll and the estimate actually paid.

SECTION 73. (a) The following provisions of the Occupations Code are repealed:

- (1) Section 1201.059;
- (2) Section 1201.112;
- (3) Subsections (c), (d), (e), (f), and (g), Section 1201.113;
- (4) Section 1201.163;
- (5) Subsections (c) and (d), Section 1201.214; and
- (6) Section 1201.408.

(b) Section 2306.6023, Government Code, is repealed.

SECTION 74. The changes in law made by this Act to Sections 94.051, 94.052, 94.053, and 94.204, Property Code, apply only to a lease agreement or a renewal to a lease agreement entered into after the effective date of this Act. A

lease agreement or a renewal to a lease agreement entered into on or before the effective date of this Act is covered by the law in effect at the time the lease agreement or the renewal to the lease agreement was entered into, and the former law is continued in effect for that purpose.

SECTION 75. The change in law made by this Act applies only to the sale, exchange, or lease-purchase of a new or used manufactured home on or after the effective date of this Act. A sale, exchange, or lease-purchase of a new or used manufactured home before the effective date of this Act is governed by the law in effect on the date of the sale, exchange, or lease-purchase, and the former law is continued in effect for that purpose.

SECTION 76. Except as otherwise provided by this Act, the changes in law made by this Act apply only to a license issued or renewed by the Texas Department of Housing and Community Affairs on or after January 1, 2008. An issuance or renewal that occurs before January 1, 2008, is governed by the law in effect immediately before that date, and the former law is continued in effect for that purpose.

SECTION 77. The change in law made by this Act applies only to an offense committed on or after the effective date of this Act. An offense committed before the effective date of this Act is governed by the law in effect when the offense was committed, and the former law is continued in effect for that purpose. For purposes of this section, an offense was committed before the effective date of this Act if any element of the offense was committed before that date.

SECTION 78. The changes in law made by this Act to provisions of the Tax Code apply only to an ad valorem tax year that begins on or after January 1, 2008. SECTION 79. This Act takes effect January 1, 2008.

HJR 72 - STATEMENT OF LEGISLATIVE INTENT

I have worked closely with the Financial Institutions Committee members and the senate on this constitutional amendment and I know that this final language was negotiated among all the stakeholders. There are three issues I would like to clarify: agricultural liens, preprinted checks, and a copy of documents.

The agricultural liens is a clarification of existing law. The validity of a lien is tested at the date the lien is created. The provision is in the constitutional amendment to address confusion raised by *Marketic v. U.S. Bank National Association*. Although this was an unappealed federal opinion on a motion for summary judgment, it has caused a chilling effect in the industry and has adversely affected the ability of lenders to obtain title insurance for certain home equity loans.

For the preprinted checks, the intent behind the change "preprinted check unsolicited by the borrower" is to make it clear that the prohibition is on use of preprinted checks that have not been requested by the borrower. These are the

checks that are sent by lenders periodically to encourage people to borrow. A significant concern with these is the fact that the borrower would not be expecting these in the mail, so thieves target them for identification theft by stealing them from mailboxes. This is the reason they are prohibited devices. Any check sent to the borrower that is specifically requested by the borrower is fine to use to access their line of credit. The intent of moving the phrase "or any similar device" is to make clear that a check other than a "preprinted check unsolicited by the borrower" is not a "similar device," and therefore is permitted. Checks are not in any way to be considered a "similar device" to a credit card or a debit card. The legislature always intended borrowers to be able to access their home equity lines of credit by check, and this change clarifies our intent.

Finally, I want to clarify the copy of documents. The homeowner may submit a written, electronic, or oral application. Sometimes the borrower receives a copy of his application the day it is submitted. However, if it is an oral application, it may take a few days before the lender sends a copy of the loan application to the borrower. The legislature wants the borrower to receive a copy of the application before closing. Therefore, the lender is required to give a copy of the loan application twice to the homeowner. First, the lender sends a copy of the borrower's completed loan application to the borrower at some point before closing so that the borrower has a chance to review it. Especially with the increase of mortgage fraud, incorrect applications, intentional or unintentional, have become a problem in recent years, and sending this application beforehand will hopefully reduce this from happening. Second, the homeowner should receive a copy of the final loan application and all executed documents signed at closing. The homeowner will sign this final copy of the loan application. Finally, the owner of the homestead shall receive a copy of the final loan application and all executed documents signed by the owner at closing. The phrase "a copy" means a photographic copy of the final executed documents that contains the borrower's signature.

HB 2 - MOTION TO CONCUR IN SENATE AMENDMENTS

Representative Chisum called up with senate amendments for consideration at this time,

HB 2, A bill to be entitled An Act relating to making appropriations to the Texas Education Agency for the purpose of school district property tax rate reductions.

(Speaker in the chair)

Representative Chisum moved to concur in the senate amendments to **HB 2**.

HB 2 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE BURNAM: Mr. Chisum, I am concerned about what some of these amendments in the senate do, and you've just moved to concur. Would you go over with the house members exactly what those senate amendments do?

REPRESENTATIVE CHISUM: Yes, the money, in addition to the foundation school program, and when we're talking about the next year, if there's additional money in those, it is dedicated to the property tax relief fund. That's what this does. It dedicates this money to the property tax relief fund, which we're going to have to fund every time we get down here, and it's specific about each year, how much is dedicated to that property tax relief fund.

BURNAM: How much money does that tie up, and to what extent does that hamstring future legislatures?

CHISUM: Well, it—

BURNAM: It ties up a whole lot of money, doesn't it?

CHISUM: Yes sir, it does. For fiscal year ending August 31, 2008, \$4,231,466,000. Alright?

BURNAM: How much?

CHISUM: \$4,238,466,000.

BURNAM: And that's in this upcoming fiscal year?

CHISUM: That's correct.

BURNAM: And how much in the subsequent fiscal years?

CHISUM: If the property tax relief fund for the fiscal year is less than 6 billion, 956 thousand, 400 million, an additional amount is necessary for the total appropriation and the subdivision equal to 6 billion, 956 thousand.

BURNAM: Did you say 6 billion?

CHISUM: 6 billion, 956 thousand, four hundred.

BURNAM: \$6 billion over what period?

CHISUM: It's appropriated to the foundation school fund for this purpose. That's the money we're appropriating for the property tax relief fund in 2008, and then it continues that in 2009.

BURNAM: That's in addition to what we already talked about, because this is an amendment the senate has tacked on to a house bill here at the last minute.

CHISUM: Yes, it just recognizes that we'll have to have that much money in the property tax relief fund. This is not an appropriations. It doesn't appropriate it.

BURNAM: It's not an appropriation, but what it amounts to is denying us access to that \$6 billion for public education.

CHISUM: What it does, is it appropriates it for that purpose so that they can pay for the property tax relief fund. It designates how much is paid out in the several years that's in that **HB 2**.

BURNAM: Chairman, I'm not sure you're explaining this exactly correctly.

CHISUM: Alright.

BURNAM: Don't you think that what that amendment that was tacked on to the senate—I understand after midnight this morning—don't you think what that amendment does is deny over \$6 billion to public school finance?

CHISUM: No, what this does is take that money and appropriates it from the foundation school fund to the property tax relief fund.

BURNAM: That's exactly what I'm saying, Mr. Chairman, so why did you say no when you should be answering yes?

CHISUM: Well, restate your question.

BURNAM: Mr. Chairman, isn't it true that the senate amendment that was added to **HB 2**, and I believe it was added after midnight this morning, doesn't this amendment take an additional \$6 billion plus from public schools, and put it someplace else other than funding our schools?

CHISUM: Okay, let me tell you what this says. It says this makes an appropriation to the Texas Education Agency for the purpose of funding schools. That's what it does.

BURNAM: That's what the bill does, but what does the amendment do?

CHISUM: The amendment spells out that appropriation in the proper years. That's what it does. We didn't create new money with this.

BURNAM: Chairman Chisum, I've just been given a copy of the amendment, and I'm not sure that you're doing a very good job of explaining this amendment.

CHISUM: Tell me what you think it says.

BURNAM: Does everyone have access to a copy of this thing? Because I'm a little concerned that it's an additional \$6 billion out of public schools.

CHISUM: Well, when you appropriate to the Texas Education Agency, and you think that's going out of public schools?

BURNAM: I believe it's appropriating out, away from, and denying them access to using those funds for our public schools, isn't it? I'm going to go sit down and read this amendment very carefully. I know there are other people with questions.

REPRESENTATIVE HOCHBERG: Chairman, help me with this, because I'm reading the amendments and trying to understand it as well. The amendment says that you're going to take an amount that's essentially \$3 billion. It looks to me like it says if we have \$3 billion that's unappropriated, that money shall be appropriated, or whatever part of it we do have, shall be appropriated to the property tax relief fund.

CHISUM: That's correct.

HOCHBERG: Okay. Now, let me ask you a question. Last night in the senate, I saw they were discussing the supplemental appropriations bill for this biennium.

CHISUM: That is correct.

HOCHBERG: They get the money for that from unappropriated funds that are left over at the time we come back here?

CHISUM: We are appropriating that money, and you're talking about **HB 15**.

HOCHBERG: Right.

CHISUM: **HB 15** is the supplemental appropriations bill. It'll be on the floor here.

HOCHBERG: I understand that.

CHISUM: Okay.

HOCHBERG: Now, this amendment, the Williams amendment seems to say to me, and explain to me where I'm wrong, that if on the last day of this fiscal year we have any money left over that's in the bank and unappropriated, up to \$3 billion, that the comptroller is to take that money and put it in the property tax relief fund, and lock it away so that it is not available for other appropriations and is not available even for, say, a supplemental when we come back here next time. Is that what this does, or am I wrong?

CHISUM: This is exactly what it says.

HOCHBERG: So we have, every session I've been here, done a supplemental appropriations bill when we've come back because of things that we couldn't estimate properly, or circumstances had changed, or things we just wanted to do, up to and including Mr. Perry's economic development fund, or whatever it is, I think we did that in supplemental. We've done all kinds of things in supplementals, but this takes the money, unless we've got more than \$3 billion laying around, this locks that all up so none of it is there for expenditure, isn't that true?

CHISUM: That's right. It reserves it for the property tax relief fund when the legislature comes in in 2009.

HOCHBERG: And then the money that's in the property tax relief fund gets used for property tax relief. Now on the front side of this bill, we appropriated enough for property tax relief to get us down to \$1, isn't that our intent?

CHISUM: Yes, that is correct.

HOCHBERG: And this says we're going to put in \$3 billion in addition to that?

CHISUM: Yes, it's putting it in there so it won't be appropriated anywhere else.

HOCHBERG: You're taking another thirty cents and making, does this do essentially another—

CHISUM: No, it doesn't drive it down in this session. The money that's there is going to be used.

HOCHBERG: Well, but if you're putting this in, in the second year of the biennium, if it's there, if you're putting it in the second year of the biennium, then the education code says that the comptroller—you and I talked about this before—the education code says that the Commissioner of Education has to take whatever's in there, and whatever's appropriated for there, and set the amount of

tax relief based on the cash that's in the bucket at that time, and it looks to me like you're putting \$3 billion extra into that bucket, if we have it.

CHISUM: Okay, then we have a misunderstanding of what this amendment does, and I'm going to pull it down and let's get it straightened out so we can go on with our business. Is that alright?

HOCHBERG: Okay, I appreciate it.

The motion to concur in senate amendments was withdrawn.

Senate Committee Substitute

CSHB 2365, A bill to be entitled An Act relating to financial accounting and reporting for this state and political subdivisions of this state.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. (a) The legislature finds that:

(1) state and local governments provide essential services funded by statutorily authorized taxes and fees and not by cost recovery-based rate or price models;

(2) state and local government operations derive authority from and are regulated by the Texas and federal constitutions and statutes; and

(3) financial accounting and reporting should accurately reflect government activities and not mislead or misinform the public.

(b) The legislature further finds that:

(1) state and local governments cannot provide certain postemployment benefits that exceed existing statutory, constitutional, or other legal requirements, including requirements that limit the duration for which benefits are legally obligated such as Section 6, Article VIII, Texas Constitution, which limits appropriations to two years or less, and other requirements that limit expenditures to one year or less or some other term; and

(2) it is in the interest of state and local governments to communicate the requirements of Subdivision (1) of this subsection to persons who receive or may receive postemployment benefits from state or local governments.

SECTION 2. Subtitle F, Title 10, Government Code, is amended by adding Chapter 2264 to read as follows:

CHAPTER 2264. FINANCIAL ACCOUNTING AND REPORTING

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 2264.001. APPLICABILITY. This chapter applies to this state and to each political subdivision of this state.

Sec. 2264.002. APPLICABILITY TO COMPONENT UNITS. To the extent an entity is reported on the financial statement of the state or a political subdivision as a component unit, the statutory accounting principles and reporting standards in this chapter apply to that entity.

[Sections 2264.003-2264.050 reserved for expansion]

SUBCHAPTER B. FINANCIAL ACCOUNTING AND REPORTING
STANDARDS

Sec. 2264.051. REQUIREMENTS FOR SYSTEM OF ACCOUNTING AND REPORTING. The system of accounting for and reporting the financial activities of this state and its political subdivisions:

- (1) must be consistent with state financial laws;
- (2) may not misrepresent the nature, scope, or duration of the financial activities of the state or political subdivision; and
- (3) may follow the statutory standards in this chapter when other accounting bases conflict with state law.

Sec. 2264.052. STATUTORY MODIFIED ACCRUAL BASIS. (a) In this state, a statutory modified accrual basis qualifies as an other comprehensive basis of accounting that recognizes revenue when it is measurable and available to finance current expenditures and recognizes expenditures when they are normally expected to be liquidated with current financial resources regardless of when they mature.

(b) This state and its political subdivisions may account for and report selected types of financial activities on a statutory modified accrual basis for government-wide and fund-level internal and external financial statement reporting.

Sec. 2264.053. COMPLIANCE WITH ACCOUNTING PRINCIPLES. Compliance with the statutory accounting principles of this chapter by this state or a political subdivision satisfies any other law that requires accounting and reporting according to generally accepted accounting principles, including Section 403.013 or 2101.012.

[Sections 2264.054-2264.100 reserved for expansion]

Sec. 2264.105. ADDITIONAL OPTIONAL FINANCIAL DISCLOSURES. HB 2 - HOUSE CONCURS IN SENATE AMENDMENTS TEXT OF SENATE AMENDMENTS

Representative Chisum called up with senate amendments for consideration at this time,

HB 2, A bill to be entitled An Act relating to making appropriations to the Texas Education Agency for the purpose of school district property tax rate reductions.

Representative Chisum moved to concur in the senate amendments to **HB 2**.

HB 2 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE CHISUM: Mr. Speaker and members, what this amendment that the senate put on **HB 2** does, is it moves the money that is not spent there in this legislative session into the property tax relief fund, not to exceed \$3 billion. That's all it does. It parks it over there, it does not change the fact that it's general revenue money. If the legislature, for whatever reason, may in fact be called back into session, they can always reaccess this money, but if not, it would be over there, and we would have money available for the property tax relief during the next legislative session.

REPRESENTATIVE BRANCH: Thank you, Mr. Speaker. Mr. Chairman, we just had a discussion with a member of the LBB, and in that discussion, along with Mr. Hochberg and some others, we were informed that to the best of their understanding, and then we looked at statutes, that this money can be parked, but it also could be unparked by a future legislature.

CHISUM: Absolutely. All this does is move the money into the property tax relief fund, where the money dedicated from the new margin tax will go in, as well as the cigarette tax, and the other taxes that are dedicated to that, and then it would have to be appropriated out of that if it was ever spent, but it also could be moved back out any time we wanted to do that.

BRANCH: You asked the question whether or not it's still general revenue, and the answer is yes?

CHISUM: The answer was yes. This does not change the status of this money. It does not become GR-dedicated, it is only GR, general revenue.

BRANCH: So this truly is parking the money until we see how the revised franchise tax plays out next May, this time next year which will be our first opportunity to see that, and we'll see how the cigarette tax plays out, and the used car tax plays out. We're not going to really know what is in that fund, is that correct?

CHISUM: That's exactly right.

BRANCH: And so we're not doing anything here that's dedicated, that we can't undo, but we are putting this money aside?

CHISUM: Yes, that's right. We are setting this money aside because we know that we've had to put \$6 billion in this legislative session, and in order to meet our obligations in the next legislative session, it would certainly be a large number, possibly not quite as much because our new margin tax may, in fact, raise some money for us.

BRANCH: The language is a little bit complex, but the net effect I think you stated, so the members will know any dollars, as of August 31, 2008, that's surplus, would move over, it would still be GR, but no more than \$3 billion.

CHISUM: That is correct.

BRANCH: And we know this year we're planning to put \$6 billion into GR, so this is just seems to be doing half, up to half, being prudent, but having the ability to pull it back, keeping flexibility.

HB 2 - POINT OF ORDER

Representative Villarreal raised a point of order against further consideration of **HB 2** under Rule 11, Section 2 of the House Rules on the grounds that the senate amendments are not germane to the bill.

The chair overruled the point of order.

Representative Burnam moved to print all remarks on **HB 2**.

SECTION 1. HARRIS COUNTY IMPROVEMENT DISTRICT NO. 9. Subtitle C, Title 4, Special District Local Laws Code, is amended by adding Chapter 3859 to read as follows:

CHAPTER 3859. HARRIS COUNTY IMPROVEMENT DISTRICT NO. 9
SUBCHAPTER A. GENERAL PROVISIONS

Sec. 3859.001. DEFINITIONS. In this chapter:

(1) "Board" means the board of directors of the district.

(2) "District" means the Harris County Improvement District No. 9.

Sec. 3859.002. HARRIS COUNTY IMPROVEMENT DISTRICT NO. 9. A special district known as the "Harris County Improvement District No. 9" is a governmental agency and political subdivision of this state.

Sec. 3859.003. PURPOSE; DECLARATION OF INTENT. (a) The creation of the district is essential to accomplish the purposes of Sections 52 and 52-a, Article III, and Section 59, Article XVI, Texas Constitution, and other public purposes stated in this chapter. By creating the district and in authorizing

Harris County, the City of Houston, and other political subdivisions to contract with the district, the legislature has established a program to accomplish the public purposes set out in Section 52-a, Article III, Texas Constitution.

(b) The creation of the district is necessary to promote, develop, encourage, and maintain employment, commerce, transportation, housing, tourism, recreation, the arts, entertainment, economic development, safety, and the public welfare in the area of the district.

(c) This chapter and the creation of the district may not be interpreted to relieve Harris County or the City of Houston from providing the level of services provided as of September 1, 2007, to the area in the district or to release the county or the city from the obligations of each entity to provide services to that area. The district is created to supplement and not to supplant the county or city services provided in the area in the district.

Sec. 3859.004. FINDINGS OF BENEFIT AND PUBLIC PURPOSE. (a) The district is created to serve a public use and benefit.

(b) All land and other property included in the district will benefit from the improvements and services to be provided by the district under powers conferred by Sections 52 and 52-a, Article III, and Section 59, Article XVI, Texas Constitution, and other powers granted under this chapter.

(c) Each improvement project or service authorized by this chapter is essential to carry out a public purpose.

(d) The creation of the district is in the public interest and is essential to:

(1) further the public purposes of developing and diversifying the economy of the state;

(2) eliminate unemployment and underemployment; and

(3) develop or expand transportation and commerce.

(e) The district will:

(1) promote the health, safety, and general welfare of residents, employers, employees, visitors, and consumers in the district, and of the public;

(2) provide needed funding for the district to preserve, maintain, and enhance the economic health and vitality of the area as a community and business center;

(4) promote and benefit commercial development and commercial areas in the district; and

(5) promote and develop public transportation and pedestrian facilities and systems using new and alternative means that are attractive, safe, and convenient, including securing expanded and improved transportation and pedestrian facilities and systems, to:

(A) address the problem of traffic congestion in the district, the need to control traffic and improve pedestrian safety, and the limited availability of money; and

(B) benefit the land and other property in the district and the residents, employers, employees, visitors, and consumers in the district and the public.

(f) Pedestrian ways along or across a street, whether at grade or above or below the surface, and street lighting, street landscaping, and street art objects are parts of and necessary components of a street and are considered to be a street or road improvement.

(g) The district will not act as the agent or instrumentality of any private interest even though the district will benefit many private interests as well as the public.

Sec. 3859.005. DISTRICT TERRITORY. (a) The district is composed of the territory described by Section 2 of the Act enacting this chapter, as that territory may have been modified under:

(2) the district's right to issue any type of bond, including a refunding bond, for a purpose for which the district is created or to pay the principal of and interest on the bond;

(3) the district's right to impose and collect an assessment or tax; or

(c) A description of the district's boundaries shall be filed with the Texas Commission on Environmental Quality. The commission by order may correct a mistake in the description of the district's boundaries.

Sec. 3859.006. TORT LIABILITY. The district is a governmental unit under Chapter 101, Civil Practice and Remedies Code, and the operations of the district are essential government functions and are not proprietary functions for any purpose, including the application of Chapter 101, Civil Practice and Remedies Code.

Sec. 3859.007. ELIGIBILITY FOR REINVESTMENT ZONES. All or any part of the area of the district is eligible to be included in a tax increment reinvestment zone created by the City of Houston under Chapter 311, Tax Code.

The petition must be signed by owners of property representing a majority of either the total assessed value or the area of the real property in the district that abuts the right-of-way in which the public transit system is proposed to be located. The costs may not exceed an amount equal to 20 percent of the assessment and interest.
