SENATE RESOLUTION 473

Senator Patrick offered the following resolution:

WHEREAS, St. Patrick's Day is a celebration of Irish heritage, and this occasion provides an opportunity to honor the many contributions that individuals of Irish descent have made to the Lone Star State; and

WHEREAS, One of the earliest Irish residents of Texas was Hugh O'Connor, who served as governor of the Spanish territory from 1767 to 1770; natives of Ireland also played a central role in the settlement of Texas in the early 1800s, including empresarios James McGloin, John McMullen, and James Power, who brought dozens of Irish families to South Texas and the Gulf Coast; and

WHEREAS, All three of these men participated in the Texas Revolution, as did Irishmen such as John Joseph Linn, Francis Moore, Jr., and Thomas William Ward; a dozen individuals from the Emerald Isle died defending the Alamo, and 100 Irish-born troops helped win the independence of Texas in the decisive Battle of San Jacinto; and

WHEREAS, The number of immigrants from Ireland grew dramatically in the mid-1800s, and several prominent Irish natives made their mark during that period; Samuel McKinney was an early president of Austin College, Father Michael Sheehan established the first Catholic church in Austin and became one of the first full-time Catholic chaplains in the U.S. Army, and Peter Gallagher served as a Texas Ranger and helped organize Pecos County; later in the 19th century, Irishman John William Mallet served as the first faculty chairman at The University of Texas at Austin, and artist Henry Arthur McArdle produced many famous paintings inspired by Texas history, some of which now hang in the State Capitol; and

WHEREAS, With the passing decades, additional people from Ireland found a new home in Texas, and they and the descendants of previous immigrants have had an enduring influence on the state's lifestyle and development; today, Irish culture is

celebrated in formal programs such as the Center for Irish Studies at the University of St. Thomas in Houston, as well as in statewide St. Patrick's Day celebrations, and it is appropriate to join with thousands of other residents in recognizing the significant role that Irish Americans have played in the story of the Lone Star State; now, therefore, be it

RESOLVED, That the Senate of the 80th Texas Legislature hereby pay tribute to the state's vital Irish heritage and extend Happy St. Patrick's Day wishes to all Irish Americans.

SR 473 was read and was adopted without objection.

SENATE BILL 199 ON SECOND READING

On motion of Senator Nelson and by unanimous consent, the regular order of business was suspended to take up for consideration **SB 199** at this time on its second reading:

SB 199, Relating to certain convictions barring employment at certain facilities serving the elderly or persons with disabilities.

The bill was read second time.

Senator West offered the following amendment to the bill:

Floor Amendment No. 1

Amend **SB 199** (committee printing) as follows:

(1) In SECTION 1 of the bill, in amended Subsection (a), Section 250.006, Health and Safety Code (page 1, lines 63-64), strike "(24) an offense under Section 38.02(d), Penal Code (failure to identify);" and renumber subsequent subdivisions accordingly.

(2) In SECTION 1 of the bill, in amended Subsection (a)(27), Section 250.006, Health and Safety Code (page 2, line 8), strike "under Subdivisions (1)-(26) [~~(13)~~]" and substitute "by this subsection [~~under Subdivisions (1) (13)~~]".

The amendment to **SB 199** was read and was adopted by a viva voce vote.

All Members are deemed to have voted "Yea" on the adoption of Floor Amendment No. 1 except as follows:

Absent-excused: Gallegos.

On motion of Senator Nelson and by unanimous consent, the caption was amended to conform to the body of the bill as amended.

SB 199 as amended was passed to engrossment by a viva voce vote.

SENATE BILL 199 ON THIRD READING

Senator Nelson moved that Senate Rule 7.18 and the Constitutional Rule requiring bills to be read on three several days be suspended and that **SB 199** be placed on its third reading and final passage.

The motion prevailed by the following vote: Yeas 29, Nays 1.

Nays: Wentworth.

Absent-excused: Gallegos.

Reason for Vote

Senator Wentworth submitted the following reason for vote on suspension of the Constitutional Three-day Rule:

I cast a "No" vote on the procedural motion to suspend the Constitutional Rule requiring that bills be read on three several days in order to take up and consider **SB 199**, because in my judgment no circumstance exists in this case to justify the extraordinary act of suspending a requirement of the Texas Constitution. The suspension of this Constitutional Rule has the direct and immediate effect of denying the people of Texas knowledge and notice of the passage of this measure until it has already been finally passed on third reading. Were we to have followed the requirement of the Texas Constitution, third reading and a vote on **SB 199** would have occurred on the next legislative day, allowing for Texans to have learned through news reports of our second reading vote exactly what we had tentatively passed. Third reading and a vote on the next legislative day would also have allowed our professional staff an opportunity overnight to make sure any amendments passed on second reading are technically correct.

/s/Jeff Wentworth
Senator, District 25

The bill was read third time and was passed by the following vote: Yeas 30, Nays 0.

Absent-excused: Gallegos.

(2) "Elderly low-income customer" means a low-income customer who is 65 years old or older.

(3) "Low-income customer" means an electric customer:

(A) whose household income is not more than 125 percent of the federal poverty guidelines;

(C) who receives medical assistance from a state agency that administers a part of the medical assistance program.

(4) "Service provider" means a retail electric provider, power generation company, aggregator, or other entity that provides retail electric service.

(b) During the period beginning July 1 and ending September 30 of each year a service provider:

(1) may not disconnect service or authorize the disconnection of service to a critical care residential customer or elderly low-income customer who contacts the service provider regarding bill payment or in response to a disconnection notice;

(2) may not disconnect service or authorize the disconnection of service to a low-income customer other than an elderly low-income customer if the customer:

(A) contacts the service provider regarding bill payment or in response to a disconnection notice; and

(B) enters into a deferred payment plan with the service provider for the current month's electric charges and meets the terms of any then current deferred payment plan;

(3) shall request reconnection of service or reconnect service to a critical care residential customer or an elderly low-income customer whose service is disconnected before or during the period if:

(c) A service provider may not disconnect service or authorize the disconnection of a critical care residential customer's service during the period provided by Subsection (b) regardless of whether the customer contacts the service provider as provided by Subsection (b) if the service provider has previously been notified that the customer is a critical care residential customer.

(d) A service provider shall allow a critical care residential customer, elderly low-income customer, or low-income customer to establish with the provider a deferred payment plan in person or by telephone. The service provider shall confirm the payment plan with the customer in writing. The deferred payment plan may not include a penalty for late payments accrued during the period provided by Subsection (b). The service provider shall allow a critical care residential customer, elderly low-income customer, or low-income customer to renegotiate the terms of the deferred payment plan at least one time, regardless of whether the customer's economic or financial circumstances have changed. For a low-income customer other than an elderly low-income customer, during the period provided by Subsection (b), the payment plan may require the payment of not more than 25 percent of the then current month's charges plus any due installments of a previous deferred payment

(2) for a low-income customer other than an elderly low-income customer, that the customer is required to pay not more than 25 percent of the deferred bills to initiate the agreement and that the remaining balance is to be paid in equal installments over the next five billing cycles, unless the customer requests a lesser number of installments.

(f) A service provider may pursue disconnection of electrical service for a critical care residential customer or an elderly low-income customer only after the period provided by Subsection (b) and only if the customer does not meet the terms of the deferred payment plan, unless the disconnection is otherwise prohibited. A service provider may pursue disconnection of service for a low-income customer other than an elderly low-income customer if the customer does not meet the terms of the deferred payment plan, unless the disconnection is otherwise prohibited. The service provider shall give the customer appropriate notice that the customer has not met the terms of the plan before the service provider disconnects or authorizes the disconnection of service.

(g) A service provider may encourage a critical care customer or elderly low-income customer to make partial payment of a deferred electric bill during the period provided by Subsection (b), but the service provider shall clearly inform the customer that the customer may not be disconnected for nonpayment before October 1 following the period provided by Subsection (b).

(b) This section takes effect June 1, 2007, if this Act receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. **COMMITTEE SUBSTITUTE
SENATE BILL 482 ON THIRD READING**

Senator Fraser moved that Senate Rule 7.18 and the Constitutional Rule requiring bills to be read on three several days be suspended and that **CSSB 482** be placed on its third reading and final passage.

The motion prevailed by the following vote: Yeas 29, Nays 1.

Nays: Wentworth.

Absent-excused: Gallegos.

Reason for Vote

Senator Wentworth submitted the following reason for vote on suspension of the Constitutional Three-day Rule:

I cast a "No" vote on the procedural motion to suspend the Constitutional Rule requiring that bills be read on three several days in order to take up and consider **CSSB 482**, because in my judgment no circumstance exists in this case to justify the extraordinary act of suspending a requirement of the Texas Constitution. The suspension of this Constitutional Rule has the direct and immediate effect of denying the people of Texas knowledge and notice of the passage of this measure until it has already been finally passed on third reading. Were we to have followed the requirement of the Texas Constitution, third reading and a vote on **CSSB 482** would have occurred on the next legislative day, allowing for Texans to have learned through news reports of our second reading vote exactly what we had tentatively passed. Third reading and a vote on the next legislative day would also have allowed our professional staff an opportunity overnight to make sure any amendments passed on second reading are technically correct.

Senator, District 25

The bill was read third time and was passed by the following vote: Yeas 30, Nays 0.

Absent-excused: Gallegos.
