Committee Report (Substituted)

### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Currently, Section 2251.008, Insurance Code, requires the commissioner of insurance to issue quarterly reports regarding residential property insurance and personal automobile insurance to the governor, lieutenant governor, and the speaker of the house of representatives, but there is no requirement that the reports contain the most recent information regarding the insurance market and be provided to the legislature. Furthermore, there are currently no state laws indicating what type of material the Texas Department of Insurance (TDI) is required to include on its website.

C.S.S.B. 611 provides consumers increased access to information regarding residential property insurance and personal automobile insurance in one centralized location on the Internet. This bill also provides the legislature with the latest information available from TDI so that policymakers have a complete and accurate picture of the insurance market.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
