AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Many states, such as Michigan, have implemented a statewide adoption day contributing to the adoption of at least ten percent of available children in the system. Currently, adoption days are held in many cities across Texas and are successful because of press attention, publication of information about available children on a website, an expedited paperwork process, and the availability of free legal advice to participants.

As proposed, S.B. 640 creates a statewide recognition day to celebrate adoption, adoptive families, and adoption workers in Texas. This bill specifies that Texas Adoption Day will be held on the third Saturday of November, as November is National Adoption month. The Department of Family and Protective Services will coordinate with cities and regions to plan and implement this day.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
