AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The TexaSaver program assists state employees in preparing for their retirement. It is a voluntary, deferred compensation investment plan. The program diverts money from the employee's monthly paycheck and saves it for them in their retirement accounts before income taxes are taken out.

C.S.H.B. 2283 amends current law relating to increasing state employee participation in the TexaSaver program.

SECTION 3. Amends Section 609.5025(d), Government Code, to authorize an employee participating in a 401(k) plan under this section, at any time, in accordance with rules adopted by the board of trustees of ERS, to elect to end participation in the 401(k) plan, to contribute to a different investment product, to contribute a different amount to the plan, or to designate all or a portion of the employee's contribution as a Roth contribution subject to availability of a Roth contribution program under Section 609.5021.
