AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

This bill would allow the Texas Board of Chiropractic Examiners to issue a temporary license to a person who has been hired as a full-time faculty member at one of the two chiropractic colleges in Texas.

The Texas Medical Board already has the ability to issue temporary faculty licenses for doctors who are licensed in other states and wish to teach at a medical school in Texas. The same privilege has not been extended to the Texas Board of Chiropractic Examiners in relation to chiropractors hired as faculty at one of Texas' two chiropractic colleges.

H.B. 3450 amends current law relating to a temporary faculty license for chiropractic faculty.
