### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Currently, the only individuals authorized to serve or execute subpoenas, attachments, and warrants are peace officers. On occasion, it is necessary to serve or execute various types of process, writs, subpoenas, and attachments on individuals confined to a detention facility. For example, an inmate may be detained in jail when additional charges are brought against him or her. In such situations, the common practice is for a new warrant to be issued, which must be served on the inmate with its own bond set for the new, alleged offense. Presently, only deputies may execute these warrants. When service is required, it is necessary to call a deputy in from the field (or his or her area of patrol or primary duty) to perform the ministerial duty of serving or delivering the warrant on the inmate.

C.S.S.B. 604 amends current law relating to the execution of lawful process by county jailers.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
