### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Under current law, the office of a member of a governing body of certain municipalities may be considered vacant if the member is absent from three regular consecutive meetings of the governing body, unless certain conditions regarding the absence apply. However, concerned parties have pointed to a possible loophole in the law that may still hinder the work of a governing body at its meetings. The concerns are based on instances in which, for various reasons, particular members in certain municipalities attend a meeting but then leave before any business can be transacted.

H.B. 2259 amends current law relating to circumstances under which a vacancy on the governing body occurs in certain municipalities.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION 2. Makes application of the change in law made by this Act prospective.

SECTION 3. Effective date: upon passage or September 1, 2013.
