AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Under Section 701.108 (Insurer's Duty to Provide Information), Insurance Code, insurers have a duty to provide information or material requested by an authorized governmental agency relating to a matter under investigation. The fraud unit of the Texas Department of Insurance (TDI) issues requests to insurers relating to criminal fraud investigations under the authority of this statute. Currently, there is no timeline within which the insurers must respond to those requests, although fraud investigations are time-sensitive and accumulating relevant evidence is necessary for the fraud unit's investigation.

S.B. 411 amends Section 701.108 to establish a 15-day timeframe within which responses to requests for information or material related to an investigation are due to TDI.

As proposed, S.B. 411 amends current law relating to insurers' duty to provide information in a fraud investigation.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
