### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Interested parties point out that certain students in Texas who have attempted to use financial assistance for veterans and their families have faced additional hurdles in using that assistance to pay for college courses. H.B. 846 seeks to help these students by implementing assistance programs for veterans and their families.

H.B. 846 amends current law relating to the implementation of student financial assistance programs for veterans and their families.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

### **SECTION BY SECTION ANALYSIS**

(b) Prohibits an institution of higher education (IHE) or a private or independent IHE from imposing additional fees, obligations, or burdens concerning payment or registration on a student eligible for state or federal military related student financial assistance programs for military veterans or their family members that are not otherwise required by those programs to be imposed for the purpose of receiving that assistance.

(c) Requires an IHE or a private or independent IHE to provide for a student described by Subsection (b) to defer payment of tuition and fees if the receipt of military related financial assistance awarded to the student is delayed by less than 60 days.
