### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Currently, there are multiple populated and unincorporated areas of El Paso County that are not served by a housing authority. The municipal housing authority has the capacity and resources to serve these areas but is unable to do so under current law.

H.B. 2287 is a bracketed bill that would authorize the City of El Paso municipal housing authority to operate and provide affordable housing and related resources for low income residents in all of El Paso County, provided such operations are not inside the jurisdiction of another municipal or county housing authority, and contingent upon the approval of the El Paso County Commissioners Court. Allowing the housing authority to assist outside of the city boundaries will create better opportunities for families to seek quality and affordable housing.

H.B. 2287 amends current law relating to the operations of certain municipal housing authorities.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
