AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The Sunset Advisory Commission's recommendations focus on the Department of Public Safety of the State of Texas' (DPS) administrative operations and non-law enforcement functions. While DPS rightfully prioritizes its police work, it must also carefully administer its other important duties.

Major Provisions in Sunset Legislation

- Continues DPS for 12 years. (Page 1, Line 19)
- Specifies that if the required third-party analysis of the opportunities and challenges of transferring the driver license program to the Texas Department of Motor Vehicles (TxDMV) is not complete by September 1, 2020, the program transfers to TxDMV on September 1, 2021. (Page 103, Line 9 to Page 109, Line 1)
- Extends the term of a non-commercial driver license from six to eight years. (Page 109, Line 2 to Page 110, Line 7)
- Transfers the motorcycle and ATV safety training program from DPS to the Texas Department of Licensing and Regulation (TDLR). (Page 110, Line 8 to Page 127, Line 16)
- Creates the Motorcycle Safety Advisory Board at TDLR. (Page 112, Line 7 to Page 113, Line 9)
- Requires TDLR to partner with the Texas A&M Engineering Extension Service to train and certify instructors and requires the Texas A&M Transportation Institute to conduct research, education, and advocacy. (Page 114, Lines 12-14; Page 115, Lines 7-10; Page 119, Lines 20-27)
- Requires DPS to track and publicly provide crime statistics as part of its border security performance reporting. (Page 3, Lines 9-25)
- Streamlines and simplifies private security regulation.
- Reconstitutes the Private Security Board as an advisory committee to DPS and clarifies that all regulatory authority for the private security program in Texas exists solely with the Public Safety Commission and DPS. (Page 28, Lines 25-26; Page 30, Line 16 to Page 31, Line 20; Page 35, Lines 6-12; and throughout Article 5 of the bill)
- Deregulates seven licenses and registrations for individuals and entities that do not directly provide private security services (partners, shareholders, corporate officers, managers, supervisors, branch offices, and certain administrative employees that operate under a company license). (Throughout Article 5 of the bill - Page 28, Line 11 to Page 103, Line 8)
- Requires individuals who provide private security services to obtain a license rather than a registration or endorsement. (Throughout Article 5 of the bill - Page 28, Line 11 to Page 103, Line 8)
- Discontinues regulation of guard dog companies and trainers, security and alarm system salespersons, private security consultants, and telematics companies like OnStar. (Page 41, Line 13; Page 41, Line 14; Page 85, Line 26 to Page 86, Line 5; and elsewhere in Article 5 of the bill)
- Eliminates unnecessary and duplicative regulation of peyote distributors and chemical and laboratory apparatus sales and transfers. (Page 24, Lines 24-27; Page 22, Lines 9-25; and elsewhere in Article 4 of the bill)

Standardizes DPS's administration of its numerous regulatory programs by providing DPS a full range of enforcement sanctions and authorizing flexible license renewal requirements, among

other provisions. (throughout Article 3 - Page 3, Line 26 to Page 22, Line 4) (Original Author's/Sponsor's Statement of Intent)

S.B. 616 amends current law relating to the continuation and functions of the Department of Public Safety of the State of Texas, the conditional transfer of the driver licensing program to the Texas Department of Motor Vehicles, the abolition of the Texas Private Security Board, the transfer of the motorcycle and off-highway vehicle operator training programs to the Texas Department of Licensing and Regulation, and the regulation of other programs administered by the Department of Public Safety; imposes an administrative penalty; and authorizes and repeals the authorization for fees.
