Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

S.B. 946 would designate a portion of State Loop 111, known as Airport Boulevard in the City of Austin, as the Richard Overton Memorial Highway.

Mr. Overton was the oldest living WWII veteran, passing away at the age of 112. He volunteered for the United States Army starting in 1942 and served with 188th Aviation Engineer Battalion, an all African-American unit that served on various islands and in the Pacific. He was at Pearl harbor just after the Japanese attack in 1941. Mr. Overton believed that his time in combat helped his segregated unit gain acceptance. After the war, he returned to Austin and worked at a furniture store and as a courier at the state Capitol before retiring in his 80s. As the years passed, Mr. Overton gained much deserved popularity as he spent most days on his porch at his Austin residence. Mr. Overton will always be known for his service to his state and country as well as his kind spirit that touched the lives of so many. (Original Author's/Spnsor's Statement of Intent)

C.S.S.B. 946 amends current law relating to the designation of a portion of State Loop 111 in Travis County as the Richard Overton Memorial Highway.
